

Dark Fiber

Access unlimited bandwidth and maximum reliability with Dark Fiber - the ultimate high-capacity solution. Consolidated's expansive, diverse, fiber network enables businesses with the utmost flexibility now and for years to come.

Why Dark Fiber?

- **Limitless Bandwidth:** Dark fiber offers unlimited bandwidth potential; you light the fiber with your own equipment.
- **Security:** A dedicated, private solution allowing for maximum security.
- **Future Proof:** Adapt seamlessly to technological demands and future advancements in bandwidth requirements without traditional network constraints.
- **Unparalleled Control:** Manage your mission critical applications with precision and efficiency.

Why Partner with Consolidated Communications for Dark Fiber:

- **Network Footprint:** Over 60,000+ miles of strategically build fiber, with unparalleled network density in the markets where we specialize.
- **Customization:** Our team of experts works with you to identify, explore and provide solutions that empower your specific business outcomes.
- **Investment:** As a fiber-first provider, we are committed to building, expanding, and improving our robust fiber network.
- **Unique Routes:** Dense networks offering unique and diverse routes where the competition can't.
- **Dedicated Expertise:** Proven track record of building resilient networks nationwide, equipped to accommodate network expansion of any scale.
- **Commitment Beyond Connectivity:** Our service is as expansive as our network, with a team of seasoned experts standing by. It's not just support; it's a partnership for shared success.

Dark Fiber is Ideal For:

- Organizations with an in-house IT team experienced in managing advanced network infrastructure solutions and equipment.
- Achieving unlimited bandwidth, top-tier security and complete route transparency.
- Organizations needing unmatched scalability and ultimate network control.

Building the future of connectivity with Consolidated Communications

In an era where connectivity defines possibility, **Consolidated is the #1 fiber provider in the regions that we specialize.** We are dedicated to moving people, businesses, and communities forward through comprehensive solutions and strong partnerships.
