Dear Consolidated Communications Wholesale Customer,

**This is ON HOLD - Date TBD**

This notification is being sent to advise Consolidated Communications Wholesale Customers that effective July 5, 2022, the LV1 and LV3 fields will increase from 10 to 15 maximum alpha numeric characters to allow for longer location descriptors.

This change will impact ASR & LSR VFO, UOM, Preorder and Ordering. New schemas will be available after May 2, 2022.

Impacted fields:

- LV1 = Building descriptor
- LV3 = Room/Apt descriptor
