Dear Wholesale Customer,

Effective June 1, 2021, Consolidated Communications is implementing a 5% rate increase for certain Special Access Business Data Services offered under Consolidated Communications Companies Service Guide No. 3 including channel termination, channel mileage and multiplexing rate elements with the exception of those rate elements contained in Price Band 5 and 6. Where possible, Price Bands have been eliminated and only one rate remains. Where this was not possible, Price Band 5 and 6 rates have been brought into alignment.

For specific rates, please see the Consolidated Communications Service Guide No. 3 posted on the Company's website at www.consolidated.com/regulatory¹.

In compliance with orders of the Federal Communications Commission, the rates, terms and conditions for certain services deemed competitive by the FCC formerly contained in Consolidated Communications' FCC Tariff No. 7 have been de-tariffed and are now contained in Interstate Service Guide No. 3.

¹ To access Consolidated Communications Companies Service Guide No. 3, go to the web page at the above link, click on "Tariffs, RTCs, Price Lists and Service Agreements", then click on "Consolidated Communications Companies" listed under the FCC documents.
